Housing Agency Procurement Assistance

Dear Housing Professional,

I am re-distributing as a public service the following links that were originally issued by Quadel. If you have any questions or concerns pertaining to the information within the links (i.e., the no-charge podcasts), please contact Katie Goar of Quadel directly (her contact information is listed within the links). Please remember that my distributing this Notice is not to be inferred as an endorsement of Quadel or the information therein, only that the issue appears to me to be potentially of benefit or worth to others.

I typically only distribute information that pertains specifically to procurement or contracts. These links pertain to development programs that a number of housing agencies are conducting, and those programs have a direct link to procurement and contracts in that the agencies are required to conduct a Request for Qualifications (RFQ) competitive solicitation process to retain developers; accordingly, it is related. I will be happy to at no charge send a sample RFQ that my clients have utilized for developer services. If you are interested, just return this email to me at gifford52@yahoo.com with a request to send the sample RFQ to you and I will respond.

I hope that this helps. Staff safe and Happy Holidays to all!

Regards,
Mike Gifford, C.P.M., CPSD
