Housing Agency Procurement Assistance

Dear Procurement Professionals,

I am re-distributing with permission, and as a public service, the above-noted attached PowerPoint (PPT).

If you have any questions or concerns pertaining to any information within this PPT, please contact Mr. Dooley or Mr. Gembala at their contact info listed at the end of PPT.

As always I take no responsibility for any information therein; however, I have carefully reviewed this information and found this PPT to be very informative and helpful in better understanding the BABA Act. It is my opinion that this PPT is a "really good read" to understand better this very challenging (in my opinion) and complex issue.

As of yet I have not developed any practical or realistic solutions to fully implement the BABA requirements into my maintenance- and construction-related IFBs, but I will keep "working on it."

I hope that this information is of a help.

Regards,

**Michael S. Gifford, C.P.M., CPSD**
