Housing Agency Procurement Assistance

Dear Procurement Professionals,

Please see the attached above-noted PIH Notice, pertaining to Section 3.

Please remember, I no longer offer any Section 3 mentoring as a part of my services, nor am I aware of a consultant that does, so please do not contact me with questions pertaining to this Notice. All I can say is that within Section IV of the attached PIH Notice HUD states that "Instructions for how to access and use [the new] S3R will be distributed to PHAs prior to their first reporting period."

I wish you all the best in compliance with these new instructions.

Regards,

Michael S. Gifford, C.P.M., CPSD*Housing Agency Procurement Assistance*

I have a consulting practice providing procurement- and contracts-related mentoring, training, and technical assistance to housing agencies. I help housing agencies conduct procurement and contracts in a HUD-compliant and "best practice" manner. [Click here](#) to see my full resume. Please do not hesitate to contact me if you have any questions or concerns pertaining to procurement and contracts (initial answering of questions is "no charge"). As I am either on-the-road or on the phone a lot, an initial contact by e-mail is best; please be sure to include your return telephone number (office/cellular) so that I can call you back.
