Housing Agency Procurement Assistance

Dear Procurement Professionals,

I am re-distributing, as a public service, the following Notice that was originally issued by NAHRO. If you have any questions or concerns pertaining to this Notice, please contact NAHRO directly.

I typically only distribute information that pertains specifically to procurement or contracts. Please remember that my distributing this Notice is not to be inferred as an endorsement of this firm or the information thereto, only that the issue appears to me to be potentially of benefit or worth to others.

I hope that this is of a help.

BEGINNING PORTION OF THE ORIGINAL NOTICE

OMB Rescinds Memorandum Pausing Federal Financial Assistance

Multiple news outlets are reporting that the Office of Management and Budget (OMB) has rescinded the memorandum pausing federal financial assistance.

Additionally, NAHRO members have reported that they can now access HUD's eLOCCS system.

NAHRO will continue to monitor the situation and provide updates as they become available. All of our previous updates on the federal funding freeze can still be found on our website, linked below.

Thank you again to everyone who has shared information with us over the past few days. NAHRO remains committed to ensuring that federal funding is available for housers to support their communities.

NAHRO will continue to provide updates as we learn more; please check the [online version of this article](#), for the latest news.

ENDING PORTION OF THE ORIGINAL NOTICE
