Housing Agency Procurement Assistance

Dear Procurement Professionals:

I located the attached on the Internet.

I am re-distributing, as a public service, the attached documents that I understand were distributed regionally by HUD during a recent training session. If you have any questions or concerns pertaining to any information therein, I recommend that you contact the HUD staff person named therein (or perhaps it would even be best to contact the HUD Labor Standards person at your own HUD field office or region).

I do not market myself as a Subject Matter Expert (SME) in the field of HUD Labor Standards issues. However, I have reviewed the attached and it looks to be very informative and detailed, and it is my opinion that housing agency staff will find a tremendous amount of useful information therein.

Regards,

Michael S. Gifford, C.P.M., CPSD
Housing Agency Procurement Assistance

I have a consulting practice providing procurement- and contracts-related mentoring, training, and technical assistance to housing agencies. I help housing agencies conduct procurement and contracts in a HUD-compliant and "best practice" manner. [Click here](#) to see my full resume. Please do not hesitate to contact me if you have any questions or concerns pertaining to procurement and contracts (initial answering of questions is "no charge"). As I am either on-the-road or on the phone a lot, an initial contact by e-mail is best; please be sure to include your return telephone number (office/cellular) so that I can call you back.
